

Wendy James

Wendy James has been a registered nurse for 34 years, and during her career she has worked for a variety of health services throughout Victoria, including metropolitan, regional and rural hospitals. Wendy trained as midwife and worked in that field for many years before making the transition to management. She has held a variety of roles including clinical nurse specialist, ANUM, NUM, Quality and Risk Manager, Out of Hours Coordinator, HR manager and Deputy Director of Clinical Services. 11 months ago she accepted the role as Warracknabeal Campus Manager—Rural Northwest Health and has had the privilege to see firsthand the success of the Nurse Practitioner role at a rural health setting. Wendy is passionate about rural health care having worked the majority of her career in rural areas and in particular she is excited about innovation to improve quality of care and accessibility of services to the local community.
