POSTER PROCESS

Please do not send your poster to the National Rural Health Alliance prior to the Conference.

Set-up time for the posters is between 2pm and 6.30pm on **24 March 2019**. If you are unable to attend at this time you should make arrangements with a friend or colleague to deliver and display your poster. You will need to bring your own mounting materials (velcro dots are suitable for most posters). If you need any assistance please do not hesitate to approach Alliance staff at the registration desk, who will gladly help.

Posters will be on display in the Exhibition Hall where delegates will be able to view them during all catering breaks, the Welcome Reception and Networking Evening. The author is encouraged to be available during these times to discuss their poster's content with viewers.

Posters can be removed from 1 pm on Wednesday, 27 March 2019.

Poster presenters should take their posters with them when they leave or arrange for someone else to remove them. Uncollected posters will be discarded.
