

Caring for your community

SILVER CHAIN

EVERY MINUTE. EVERY HOUR. EVERY DAY. WE CARE.

www.silverchain.org.au

Introduction to Silver Chain

Silver Chain began over 100 years ago as a small district nursing service. Today, we are one of the largest providers of community, clinical and health care services to the Western Australian community. More than 40,000 people of all ages each year are able to remain living in their community supported by over 2,500 staff and volunteers.

Our purpose: to increase the community's capacity to maximise its health and wellbeing.

Our vision

Is to be a client focussed provider of caring, innovative, high quality services that support the independence of people in need.

Our values

Our values guide and underpin everything we do:

- All people are of equal value.
- The individuality of people will be respected.
- The client will be given the best possible service.
- Excellence and superior performance will be pursued.

- Palliative care
- Primary health care
- Wound clinics

Home Hospital

Silver Chain Home Hospital caters for Perth metropolitan patients who have a range of short term clinical care requirements, offering the following services: Priority Response Assessment (PRA), Hospital@Home, Post Acute Care and Community Nursing.

All Silver Chain Home Hospital services also include the option of home support services or allied health as required.

Remote area health

Our nurses provide primary health care to the entire family in many remote locations around Western Australia where there is no resident doctor or hospital, and also provide support to emergency services.

Education and training

Silver Chain is a Registered Training Organisation, delivering nationally accredited courses, professional development and traineeships. We offer over 80 courses including Certificate III (Aged Care and Home and Community Care), clinical competencies, and information technology. Our comprehensive induction training and ongoing commitment to developing our staff enables our employees to provide quality care to our clients.

Support Silver Chain

Private and corporate donations as well as bequests help us to provide additional services, higher levels of care and the appropriate infrastructure to support our services.

Your support allows us to extend our services to meet a need in the community where there may be a shortfall of funding. It also enables us to invest in research, education and conduct clinical trials to improve our services, to develop our staff training programs and to ensure we continue to lead the way in the delivery of care in our community.

The work we do cannot be done alone. With your support we are able to continue the high standard of care that has become synonymous with Silver Chain.

You can make a donation via:

- Our website – www.silverchain.org.au/onlinedonation.
- Telephone – call us on 9242 0233 with your credit card details.
- Post – cheque or a credit card details to Silver Chain, 6 Sundercombe Street, Osborne Park, WA 6017.
- Direct debit – call us on 9242 0233 for details.
- Remembering Silver Chain in your Will.

For more information about supporting Silver Chain call (08) 9242 0233.
