

Susan Daly

Susan Daly is the Director of Mental Health and Drug & Alcohol in Far West Local Health District, NSW. Far West Local Health District falls between the borders of Queensland, South Australia and Victoria and incorporates the Silver City of Broken Hill and most of outback NSW. Susan is a registered nurse and is proud to have been providing service to mental health consumers, carers and staff since the early 80s. She has experience in inpatient and community mental health care, management, research, policy development and education.
