

## **Cindy Hinterholz**

Cindy Hinterholz is the Early Years Coordinator at Robinvale District Health Services. Passionate about the early years and its importance as the foundation in a child's life Cindy previously worked in Melbourne as a preschool teacher. Cindy moved to Robinvale in 2009 and here, her passion for the early years, was magnified by the wonderful complexity of the Robinvale community. The multi-cultural and diverse nature of Robinvale offers many challenges but far more rewards. Her aim is to ensure every family has the opportunity to engage in a range of early years services that best meet their needs and that these services support families in health, education and wellbeing. She wants parents to recognise and enjoy their role as their child's most influential teacher.
