

Raymond Lewandowski

Dr Raymond Lewandowski completed his Bachelor of Science at University of Texas South Western and also his Bachelor of Medicine. He studied his post doctorate at the University of Arkansas. He is a Fellow of the American Academy of Family Practice, and a Diplomat of the American Board of Family Medicine. In 2008 and 2009 Dr Lewandowski and his family temporarily relocated to Kingaroy to work as a Senior Medical Officer at Kingaroy Hospital. In 2011, Dr Lewandowski and his family returned to Kingaroy permanently, and in 2012 he was appointed as the Medical Superintendent of the hospital. In 2012, Dr Lewandowski was awarded this Fellowship of the Australian College of Rural and Remote Medicine. Dr Lewandowski through his clinical skills has stabilised the obstetric service at the Kingaroy Hospital, and provided endoscopy services. Under his leadership, Kingaroy Hospital is consistently the busiest non-specialist birthing service in Queensland, and general surgical services recommenced with the employment of the first Rural Generalist (Surgery). Dr Lewandowski has developed and implemented a structured education program for medical officers, led successful completion of intern accreditation and provides a supported learning environment for the Griffith University students who are based at Kingaroy Hospital for one year of their study.
