

Julie Sykes

Julie Sykes is the Director of Health and Education Programs at the Prostate Cancer Foundation of Australia. Julie is a registered nurse with a special interest in prostate cancer and has worked in both the UK and Australia in senior nursing positions in cancer care service development and delivery. Julie is responsible for the strategic development and implementation of PCFA's education programs and services. Julie was the project manager for PCFA Rural Education Roadshow, a program which took prostate cancer experts to regional and rural Australia to deliver structured education to health professionals and those affected by prostate cancer. Julie is also responsible for the production of PCFA consumer information materials in both online and print format and PCFA advocacy programs in partnership with key stake holders. Julie has an extensive publication and presentation profile on prostate cancer nursing and was responsible for the development and implementation of the PCFA Prostate Cancer Specialist Nursing Service. This national structured program currently funds 27 Prostate Cancer Specialist Nurses hosted in hospitals in all States and Territories across Australia providing care to men and families affected by prostate cancer. Julie is also President of the Australia and New Zealand Urological Nursing Society.
