BEST BITS

Hands on – practical
I had fun and learnt
Revision was constant
Being not afraid to ask questions
Not feeling like your dumb
Laughter, mateship, passing the exam
Everyone joining in the fun
How did this course help you

A lot, I’ve got 2 kids – so I feel confident that I’d at least I’d be able to give them a better chance of surviving should something happen.

Looking after friends, family and community.

Getting the skills to act in an emergency.

Help people in need.

It has made me prepared for emergency situations.
