

Codeine Rescheduling in Rural and Remote Communities | your questions answered

Do you have questions relating to the rescheduling of codeine and associated issues? The Australian College of Rural and Remote Medicine (ACRRM), in partnership with the Rural Doctors Association of Australia (RDAA), the National Rural Health Alliance (NRHA), and CRANApplus, invite you to join a webinar where Dr Jim Finn (addiction medicine) and Dr Suyin Tan (pain medicine) will be available to answer your questions and provide general information and advice.

Webinar details:

Date: Thursday, 15 February 2018

Times:

ACT, NSW, TAS, VIC	8pm
SA	7:30pm
QLD	7pm
NT	6:30pm
WA	5pm

Duration: 90 minutes

Registration: Not required

Cost: Free

If you have any questions you would like answered, we encourage you to send them to ehealth@acrrm.org.au prior to the webinar.

You can access the webinar [here](#).

Alternatively, copy and paste the following into your browser:

<https://au.bbcollab.com/guest/098cf603a2d847739de8650bb3eb964f>

Please connect 30 minutes before the webinar starts to give yourself time to check you headphones and to allow the presentation to download.

Blackboard Collaborate 'Ultra' will be used for this webinar and will work on all browsers for Apple or Windows computers, however it **always works best in a Chrome browser**. Alternatively download the **'Blackboard' App** from your App store to use on your mobile device.

We recommend using an external headset for the highest quality experience. More detailed information that includes how to maximise your audio quality in areas of low bandwidth is attached.

Before the webinar, please [test your connection and browser](#). If you have any problems with the test, contact Blackboard on 1800 267 338 (this is a 24-hour 7-day help phone line) or ACRRM by emailing rmeo@acrrm.org.au. For further about this webinar contact ehealth@acrrm.org.au.
